Safe Routes to School Program presents: Bike to School Day May 18 Jump on the Bike Train! Bike to School Day is Thursday, May 18, and Washington parents are organizing a morning bike train to promote safe and healthy transportation options for getting to school. We have two meet-up options: one is at Ward and Park (from NE corner of San Pablo Park, riding up Ward to California; led by Scott Frieze) and another is at California and Hearst (from the Ohlone Park, riding south on California; led by Ben Gerhardstein). Both groups will depart at 7:40am and converge at California and Channing at 7:50am. After a quick water break, we'll head up Channing at 7:55am and make our way to campus. Riders can join at either of the meet-up points or jump on the train en route!

Open House Mark your calendars for Open House on May 18 from 6 - 8 pm. Visit your

child/children's classroom(s) to see all the work they have been producing this year. PTA will start us off at 6 pm in the courtyard (weather permitting) with a brief meeting.

Meet Principal Joshua Heideman Open House on May 18 from 6 - 8 pm will also be an opportunity to meet your new Principal. Weather permitting, he will be in the courtyard to meet you and talk about next year.

Parents, Please be Safe (and Patient) at Dropoff and Pickup! Observe all traffic rules, come to a complete stop at stop signs, and please don't use McKinley south of the barriers for car drop off or pick up, as the signs indicate.
