

Hello Washington Families,

I hope that you had a fulfilling and enjoyable summer. We are getting back in the swing of things here at LEARNS after school at Washington.

My name is John Alford-Leaks and I am the Program Specialist for LEARNS at Washington. Here are a few highlights. Last year, we were excited to provide LEGO Robotics classes, cooking classes taught by our very own Nikki Harris, art classes, and thanks to our awesome Washington PTA, our Drama Club. We are also privileged to have many engaging outdoor activities led by our own Coach Don. This year, I am looking forward to getting to know you and your children as we embark on this journey together.

The following information will guide you through the process of how you can be a part of this terrific program.
